26th INTERNATIONAL CONFERENCE ON ELECTRICAL MACHINES

CALL FOR PAPERS

50th anniversary edition!

ICEM, the reference International Conference for Electrical Machines specialists from industry and academia, is held every two years since 1974. The 26th and 50th anniversary edition will take place **on campus** at Politecnico di Torino, Turin/ Italy, on September 1-4, 2024. Papers presented during ICEM 2024 will be potentially published in the IEEE Xplore Digital Library after a double-check by the related IEEE Services.

Post-conference submission follows the rules of the respective IEEE journals; detailed information is on our website.

TOPICS

- T1. Rotating Machines
- T2. Design Issues (Optimization, Modeling, Simulation)
- T3. Special and Linear Machines, Actuators, Sensors
- T4. Thermal and Loss Issues, Magnetic and Insulation Materials
- T5. Electrical Drives
- T6. Diagnostics and Condition Monitoring
- T7. E-machines and Drives for Sustainable Transportation
- T8. E-machines and Drives for Renewable Energy Generation

KEY DATES

Special Sessions Proposals: extended to Feb 1, 2024

Tutorials Proposals: Feb 1, 2024

Full Paper Submission: extended to March 1, 2024 *

Full Paper Notification: May 1, 2024

Final Paper Upload: June 1, 2024

** Papers on non-specified topics (e.g. papers on power converters with no evident contribution on e-drives) will be immediately rejected upon evaluation of the technical program committee.*

INFORMATION

Call for Tutorials: high-quality tutorials given by recognized experts from the academia and the industry.

Call for Special Sessions: group of six papers organized by any volunteer. Potential special session organizers (max. 2 per session) should contact the special session co-chairs.

Exhibition and Industry Forum: visit the booths of ICEM 2024 industrial sponsors. Presentation-only sessions dedicated to industry.

For information on exhibiting and sponsoring opportunities please contact the Conference Organiser.

Student Forum: poster competition for students to present their work to industry and academia.
